

PRESENTATION OF ANG LLC

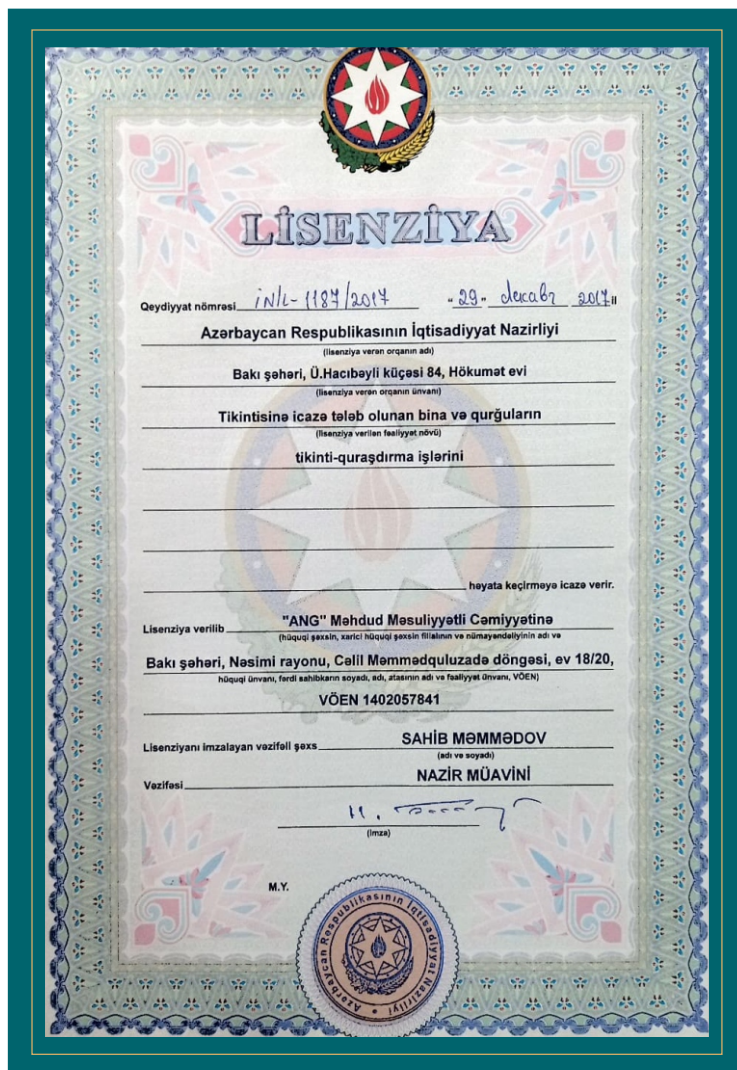

Limited Liability Company "ANG" was established in 2016.
The company performs the following works on public
and private orders:

- ▲ **Projecting of infrastructure objects, industrial and real estate facilities.**
 - ▲ **Building, facade, land and piling works.**
 - ▲ **Installation of concrete and reinforced concrete structures.**
 - ▲ **Restoration and repair works.**
 - ▲ **Metal construction, electromechanical and isolation works.**
 - ▲ **Construction of dams and reservoirs.**
 - ▲ **Construction of bridges, overpasses and flyovers.**
 - ▲ **Installation of liquefied and natural gas facilities.**

Our main goal is the timely fulfillment of customer requirements in accordance with high quality standards, using innovative methods and techniques. The guarantee of the quality of the work performed is our professional team, which has a modern knowledge base and experience.

A look at the activities of "ANG" LLC

A photograph of a modern, multi-story building with a mix of concrete and glass facades. The building is identified by a sign as the 'Sanat' Children's Music and Art Center. The sky is blue with scattered white clouds. A large teal diagonal graphic element is overlaid on the right side of the image.
